To the Authors of all Papers Selected for the 2014 Best Paper Award
Consideration

Congratulations!

It is very obvious that a lot of hard work and effort went into writing these papers, and in my opinion, they are all winners!

‘Police, Practice, and Research: An International Journal’ (PPR) could not exist without the contributions of its very talented authors, such as yourselves.

I want to take this opportunity to congratulate everyone whose paper was selected for award consideration and once again express to you how much your diligence and hard work are appreciated by me, the staff of PPR, and IPES.

Sincerely,

Dr. Dilip K. Das
